Dear Vacations Client:

2012 promises to be an interesting year; elections, the economy and the news continue to change but one thing has remained the same. Time becomes increasingly more important and we want to spend it wisely. We want experiences that expand our horizons and help us grow. Travel provides exactly that dimension to our lives.

Theatre Vacations has been structured to provide both independent travel vacations as well as an increasing number of escorted group tours for those who wish to leave all of the details to someone else.

We are excited to announce that my wife Emily and I will lead an escorted tour visiting both *Shaw* and *Stratford Festivals* from July 16-21, 2012 with add on days available to experience even more of *North America's* two largest repertory theatres! We also proudly again offer the *Wonders of the West* tour visiting *US National Parks* coming and going by train! Top that off with our *Hawaii Calls* cruise and we feel that you have some amazing choices.

Speaking of theatre, *Stratford* welcomes the return of *Christopher Plummer* in a one man show "A Word or Two" which focuses on his love of literature. Musicals will include *42nd Street* at the *Festival Theatre* plus *The Pirates of Penzance* and the family favourite *You're a Good Man, Charlie Brown* at the *Avon Theatre*.

Shaw Festival, located in beautiful *Niagara-on-the-Lake* brings the musical, *Ragtime* to the stage which promises great things and a new direction.

Finally, for our foreign visitors, *Theatre Vacations* is a licensed wholesaler and is able to deduct 1/2 of your Harmonized Sales Tax (VAT tax in other countries) from your package before purchase extending the value of your package on top of our volume rates.

Whether you would like to experience championship level golf courses in *Niagara*, spend a few days in *Toronto*, *Montreal* or *Ottawa*, we would be happy to accommodate your needs. Please inquire further by calling **1-877-356-6385**.

We look forward to serving you again in 2012.

Sincerely,

David Hyde

Niagara-on-the-Lake is a mini "Colonial Williamsburg" in the heart of Canada's wine country just 18 km north of Niagara Falls. In 2008 Trip Advisor (the Internet booking engine) named Niagara-on-the-Lake as one of the top 100 destinations that their readers would like to visit in the world.

This village provides the perfect setting for your Shaw Theatre Getaway. The Shaw Festival Theatre is the second largest repertory theatre company in North America, presenting the works of George Bernard Shaw, the Irish playwright on a regular basis as well as musicals, comedies and so much more!

In addition, the Niagara Wine District has grown to more than 60 wineries in a radius of 75 km. We offer winery tours, dinners and tastings. Why not spend a day just following the Niagara Wine Route and visiting the cottage wineries who only distribute their products on site? Bring home that special treasure to enjoy in the future!
